

SENIOR ARRIVAL

Students are asked to do the following before entering the building:

1. Scan the above QR Code.
2. Send an email via the dialogue that comes up from their school email.

This email acknowledges the following:

"I am arriving late because I had a senior privilege block OR because I have reached the age of majority. I acknowledge the following:

- If I have not attended the minimum number of classes, I am not permitted to participate in athletics or activities.
- If I have arrived late at a time when a regular class is in session, that this may be processed as a class cut, and senior privileges may be suspended or revoked.
- There are consequences for being tardy after a certain number of times."
